MINNESOTA

Gives McKinley a Majority of Sixty Thousand.

By Associated Press.
St. Paul, Nov. 7.—At midnight the election in Minnesota is settled so far as the vote is concerned, but the figures on the head of the ticket are still too meagre to make any final statement. It is possible that the McKinley electors carried the state by over 60,000 plurality. Incomplete returns thus far received up to midnight seem to indicate that VanSant, the Republican candidate for Governor, may carry the state by a small figure, but the Democrats claim the election of Lind, the Fusionist, by over 25,000 plurality. While the Republican managers can give no figures. No figures are yet received on the legislature. The balance of the Republican state ticket seems elected.

WISCONSIN.

By Associated Press.
Milwaukee, Wis., Nov. 6.—Returns from precincts up to a late hour indicate that McKinley will have a plurality of over 100,000, more than in 1896.

ARKANSAS.

By Associated Press.
Little Rock, Ark., Nov. 6.—The largest counties show gains for Bryan indicating that he will carry the state by 75,000.

INDIANA, SIXTH DISTRICT.

By Associated Press.
Richmond, Ind., Nov. 6.—The Sixth district of Indiana elects James E. Watson (Rep.) to Congress.

NORTH CAROLINA.

By Associated Press.
Raleigh, N. C., Nov. 6.—Returns indicate Bryan's majority will not be less than 30,000. Democratic State Chairman Symons is elected to the U. S. Senate to succeed Butler (Pop.) by 40,000.

GEORGIA.

By Associated Press.
Atlanta, Ga., Nov. 6.—The Constitution estimates Bryan's majority in Georgia about 8000.

NEW YORK.

New York, Nov. 6.—At 11 p. m. indications are that McKinley will carry New York over Bryan by about 150,000 majority compared with the Republican majority in the last election of 268,469. The total vote in the city of New York is approximately 60,000 larger than in 1896, and up-state increase about 30,000. In the city Bryan wiped out the plurality of 60,000 which McKinley had four years ago, and took on a plurality for himself of about 25,000. Up the state McKinley barely held the vote which he had in 1896. Added vote going to Bryan. Vote for Odell, Republican nominee for Governor, considerably larger than for McKinley. In Brooklyn the Democratic nominee for governor, Stanchfield, appears to be scratched. The election passed off quietly both in the city and the state.

KENTUCKY.

By Associated Press.
Middleboro, Ky., Nov. 6.—Unofficial returns give the Republican national and state tickets a majority of about 17,000 in the eleventh district, with strong Republican counties yet to report. Judge W. F. Hall, candidate for Court of Appeals, ran away ahead of the ticket. He probably is elected.

ELBA PRECINCT.

Elba, O., Nov. 6.—Elba precinct gives McKinley 52 majority and VanVoorhis 51 majority. The rest of the Republican ticket carried by same majority as McKinley.

KENTUCKY.

Frankfort, Ky., Nov. 6.—In the Seventh district, South Trimble, the Democratic candidate was elected. In the Sixth district, D. Linn Gooch (Dem.) was elected. In the Fourth district, Vincent Boring (Rep.) is elected.

McKINLEY CONGRATULATED.

By Associated Press.
Canton, O., Nov. 6.—At 10:20 in the evening McKinley was beginning to receive congratulations on his re-election. The President in person read all returns. He refrained from making any comment whatever on the result. President McKinley's first congratulatory from headquarters came from Manly at New York:
"Praise God from whom all blessings flow. Your triumph re-election conceded by Democratic manager. I tender my earnest congratulations. We are very happy at headquarters."

NEW JERSEY.

By Associated Press.
Trenton, N. J., Nov. 6.—Incomplete returns from different parts of the state indicate that New Jersey has been carried for McKinley and Roosevelt by more than 50,000 Republicans.

elect six out of eight congressmen. Representation will be the same as last year, and Republicans will have an overwhelming majority in both Houses of the legislature, insuring the election of a Republican to succeed Wm. J. Sewell (Dem.) as U. S. Senator.

TEXAS.

By Associated Press.
Houston, Tex., Nov. 6.—Bryan's majority will be over 170,000.

Lexington, Ky., Nov. 6.—This city gives McKinley 1000 majority.

RURAL OHIO.

By Associated Press.

Wilmington, N. C., Nov. 6.—Bryan's majority in the state is estimated at 25,000.

TOLEDO.

By Associated Press.
Toledo, O., Nov. 6.—McKinley carries Toledo by 2000 plurality.

MONTANA.

Butte, Mont., Nov. 6.—Incomplete returns indicate that Bryan has carried the state by something like 20,000. The Fusion ticket will have a majority in the legislature.

WATERTOWN.

President—McKinley 119, Bryan 220.
Congressman—VanVoorhis 113, Ellenwood 226.

"No, Thank You; No Ready-Made Clothes For Me,
Said a gentleman to us recently, "Have you ever worn a STEIN-BLOCH ready-to-wear Suit or Overcoat?" we asked him. "No," he said, he had not; but he added "all ready-to-wear clothes were alike to him." We were persistent; he was obliging.
He permitted us to show him one of the new STEIN BLOCH Suits in th. heathery mixture. He examined it carefully, the linings, the way the buttons were sewed on, the hand-made collar and lapels; then he tried on his size, and said incredulously, "his is not a ready made Suit! these garments were custom tailored for some man who is just about my size."
We showed him THE STEIN BLOCH CO., Wholesale Tailors, label under the collar on that particular coat and others in our store.
We fitted him perfectly with Coat, Vest and Trousers; also an Overcoat.
This was at the beginning of the season, and there is no better dressed man, nor a more enthusiastic one about STEIN BLOCH Clothes, in this town to-day, than this very same gentleman. Won't you give us a chance to do the same for you?
